VIRTUAL REMOTE
PARTICIPATION
AVAILABLE

This meeting is designed for the practicing neurologist and provides a review of clinical neurology with emphasis on areas of recent advances and progress in patient management. Both current concepts and new advances in neurologic disorders will be covered.

EDUCATIONAL OBJECTIVES

Based on discussions with UCSF faculty and practicing physicians at other institutions, the topics were chosen based on physician-identified need for practice-based knowledge.

The purpose of this program is to increase attendee competence and improve clinical practice in neurology, specifically to:

- Apply new concepts to epilepsy, multiple sclerosis, aging and movement disorders in practice;
- Recognize and select diagnosis and management of stroke, multiple sclerosis, headache, dementia, and apply best practices for their management

GREENER MEETING

We're saving paper! The syllabus will be available electronically one week prior to the course. **Printed copies available for in person registrants ONLY for an additional fee.**

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **16.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.
