Antepartum and Intrapartum Management

ONSITE AND LIVE STREAM CONFERENCE

Presented by the University of California, San Francisco School of Medicine, this course stresses antepartum and intrapartum assessment and clinical management in obstetrics. On the first day, various aspects of prenatal diagnosis, ultrasound, antepartum conditions, and maternal complications of pregnancy are covered. The second day is largely devoted to fetal heart rate interpretation and management of fetal heart rate patterns. The third day continues with discussions of potential complications of pregnancy and appropriate management. The course is designed for physicians, midwives, obstetric nurses, and trainees. The faculty instructors are internationally known through their clinical and basic research, scholarly articles, and texts. The faculty are highly qualified, certified by their respective specialties, and the majority are qualified or eligible for the subspecialty division of Maternal Fetal Medicine of the American Board of Obstetrics and Gynecology.

OBJECTIVES

Upon completion of this course, participants should be able to:

- Counsel patients regarding maternal conditions that can be uncovered by prenatal genetic screening;
- Diagnose and manage vasa previa;
- Appropriately manage fetal heart rate tracings in labor and coordination of care;
- Counsel patients and manage perinatal infections in pregnancy, including CMV and syphilis;
- Evaluate and manage cholestasis in pregnancy;
- Diagnose, evaluate, and manage venous thromboembolism in pregnancy;
- Counsel patients on the importance of maternal mental health care and provide resources;
- Improve coordination of patient care throughout pregnancy and delivery with respect to communication and hand-offs;
- Advocate with a deeper understanding of health disparities and the central role of healthcare professionals in providing equitable, patient-centered care.

REMOTE LEARNING OPPORTUNITIES AVAILABLE

This course will take place in person at the Hotel Nikko in San Francisco. You may alternatively tune in virtually. Login instructions along with the digital syllabus will be shared with attendees a week before the meeting. Included in your registration fee is access to the recorded lectures on demand (available for 30 days post-course). You must sign-in to the live conference or tune in to the live virtual conference in order to claim credit for attending.

ACCREDITATION

In support of improving patient care, University of California, San Francisco is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

UCSF designates this live activity for a maximum of **18.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Physician Assistants

American Academy of Physician Assistants accepts category 1 credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

SPECIALTY CREDIT

AMCB Credit

AMA PRA Category 1 Credit™ is accepted by the Certificate Maintenance Program (CMP) of the American Midwifery Certification Board (AMCB) for programs relevant to midwifery. Certified nurse-midwives and certified midwives attending this program may report **18.00** credit hours.

Fetal Heart Rate Monitoring

The approved credits include **2.50 AMA PRA Category 1 Credit™** towards Fetal Heart Rate Monitoring and Assessment Education.

Pharmacotherapeutics CEUs for Nurses

This activity is designated for a maximum of **5.00** pharmacotherapeutic credits towards meeting the requirement for nursing pharmacology continuing education. Nurses should claim 0.1 CEUs for each contact hour of participation in designated pharmacotherapeutic continuing education.
