Accredited Activity for Ophthalmologists, Optometrists, and Nurses!

Ophthalmology Update 2024

The UCSF Ophthalmology Update will feature local and internationally known experts in the areas of glaucoma, cataract, retina, uveitis, pediatric ophthalmology, oculoplastic and reconstructive surgery, neuro-ophthalmology and refractive surgery. The program is designed for comprehensive ophthalmologists, optometrists, and nurses, including those who perform cataract surgery, manage patients with glaucoma, optic nerve disorders, and retinal disease. This year's program includes an optional hands-on lab component at no additional cost.
