Presented by the Department of Orthopaedic Surgery University of California, San Francisco and the LeRoy C. Abbott Society

69th Annual

# LeRoy C. Abbott Society Scientific Program

56th Annual

# Verne T. Inman Lectureship

### **CHAIRS**

### C. BENJAMIN MA, MD

Chair, Department of Orthopaedic Surgery Dr. Peter and Sophie Pappas Endowed Chair V-nee Yeh Endowed Professor of Orthopaedic Surgery, University of California, San Francisco

### YOUJEONG KIM, MD

President

LeRoy C. Abbott Society

### **PROGRAM CHAIRS**

### HENRY KRIGBAUM, MD

Board of Directors LeRoy C. Abbott Society

### **DEBBIE Y. DANG, MD, PhD**

Board of Directors

LeRoy C. Abbott Society

Thursday - Friday

# May 1-2, 2025

Mission Bay Conference Center 1475 Owens Street San Francisco, CA

69th Annual LeRoy C. Abbott Visiting Professor

SUSAN V. BUKATA, MD, FAOA, FAAOS

**Professor and Chair** 

UCSD Department of Orthopaedic Surgery

56th Annual Verne T. Inman Lecturer

### **JOHN RHEE, MD**

Professor of Orthopaedics Emory University School of Medicine

ON-SITE

Verne T. Inman Lectureship

May 1-2, 2025

This program brings together members of the Abbott Orthopaedic Society, faculty and residents of the UCSF Department of Orthopaedics, and orthopedic providers in the community at large in a collaborative presentation of recent advances and updates in orthopaedic surgery. Our schedule of presentations will address current clinical and research topics that affect clinician decision-making in day-to-day practice.

### **COURSE HIGHLIGHTS**

- Exciting educational program featuring concise "hot topic" presentations on issues critical to clinical practice
- Panel discussions featuring our visiting professors
- Thursday May 1st at 6 pm Abbott Society Alumni Social Gathering
- Friday May 2nd at 6 pm Chief Residents and Fellows Graduation; Bones Ball Dinner and Reception

### **EDUCATIONAL OBJECTIVES**

Upon completion of this course, participants should be able to:

- Improve the management of the orthopaedic patient, including considerations for elective surgery;
- Describe new developments in orthopedic oncology and spine surgery;
- Evaluate the pros and cons of managing musculoskeletal injuries and conditions with and without surgery;
- Discuss the most relevant updates in the various fields of orthopedics;
- Evaluate the impact of differences in access to quality healthcare for vulnerable populations;
- Improve patient outcomes using best evidence and optimizing patient communication and shared-decision making.

### ACCREDITATION

In support of improving patient care, UCSF Office of CME is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: UCSF designates this live activity for a maximum of 12,5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**Nurses:** For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants: AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME.

## THURSDAY, MAY 1, 2025

7:00 am	Registration and Continental Breakfast   Exhibits			
8:00	Welcome to Residents, Alumni, and Drs. Bukata and Rhee	C. Benjamin Ma, MD		
8:05	James O. Johnston Resident Case Presentation Symposium	Residents		
9:30	Refreshment Break   Exhibits			
PAPER SI	ESSION 1 · Chief Resident Talks · Moderator: Alan Dang, MD			
9:45	Early Clinical Outcomes of "Lemon-Dropped" Complex Primary Total Joint Arthroplasty Patients to a Tertiary Care Center	Ellen Tsay, MD		
9:52	No Outcome Differences with and without Closure of Periportal Capsulotomy in Hip Arthroscopy for FAIS	Alexander Markes, MD		
9:59	Gene Editing of Human Fibroadipogenic Progenitors to Prevent Adipogenesis	Stephen Garcia, MD, MS		
10:06	Effectiveness of Non-operative Treatment in Patients with Glenohumeral Osteoarthritis: A Prospective Cohort Study	Favian Su, MD		
10:13	Distal Diaphyseal Tibia Fracture Fixation Assisted with Traveling Traction is Associated with Better Alignment	Joseph Sheridan, MD		
10:20	Knee and Shoulder Arthroscopy in Low-Middle Income Countries: A Needs Assessment of Orthopaedic Surgery Arthroscopy Training and Education in Tanzania	Sergio Flores, MD		
10:27	Development and Validation of a Preoperative Expectations Survey for Adolescent Idiopathic Scoliosis	Alejandro Cazzulino, MD		
10:34	Discussion			
10:50	69th ANNUAL LEROY C. ABBOTT LECTURE I It Actually is Rocket Science: Unexpected Boosters of Cartilage and Bone Regeneration	Intro: C. Benjamin Ma, MD Susan V. Bukata, MD, FAOA, FAAOS		
11:45	Luncheon: IGOT Anniversary Presentation & Update	Dave Shearer, MD		
12:50 pm	56th ANNUAL VERNE T. INMAN LECTURE I Cervical Spine Malalignment: When Should It Be Corrected?	Intro: Youjeong Kim, MD John Rhee, MD		
FAST & F	URIOUS: FIVE MINUTES OF THE BEST PAPERS IN THE LAST	YEAR		
1:35	Sports	Drew Lansdown, MD		
1:40	Hand	Lindsey Valone, MD		
1:45	Spine	Frank Valone, MD		
1:50	Arthroplasty	Derek Ward, MD		
1:55	Foot & Ankle	Andrew Haskell, MD		
2:00	Pediatrics	Scott Kaiser, MD		
2:05 2:10	Trauma	Tony Ding, MD Todd Kim. MD		
2:10	Shoulder, Elbow Discussion	rodd Kirri, MD		
2:25	Refreshment Break / Exhibits			
PAPER SESSION 2 • EFFICACY & OUTCOMES • Moderator: Gordon Lundy, MD				
2:35	Cemented Metal and Polyethylene Spacers have Similar Cost Profiles with Fewer Complications Compared to All Cement Articulating Spacers for Treatment of Knee Periprosthetic Joint Infection	Angel Xiao, MD		
2:42	Efficacy of Dual Mobility Constructs Combined with Jumbo Cups in Revision Total Hip Arthroplasty	Ramesh Ghanta, MD		
2:49	Incidence and Management of Periprosthetic Fractures in Transfemoral Osseointegrated Implants	Maithily Diaz, MD		
2:56	Comparison of Re-tear and All-cause Reoperation Rates for Pediatric and Adolescent ACL Reconstruction Using Bone Patellar Tendon and Quadriceps Tendon Grafts	Kyla Petrie, MD		
3:03	ACL Reconstruction with Extra-Articular Ligament Tenodesis Reduces Risk of Revision	Natalie Kucirek, MD		
3:10	Modern Arthroscopic Hip Preservation vs Total Hip Arthroplasty Among Patients 50-60 Years of Age: A Propensity Score-Matched Analysis	Jeffrey Kwong, MD		
3:17	Discussion			
3:30	Adjourn			
3:30 - 4:30 pm	Reception and Exhibits – Ballroom Foyer			

# FRIDAY, MAY 2, 2025

7:30 am	Continental Breakfast   Exhibits	
8:00	Welcome to Residents, Alumni, and Drs. Rhee and Bukata	C. Benjamin Ma, MD
	Debates & Controversies 2025	Moderator: Debbie Y. Dang, MD
8:05	Debate 1: Geriatric Wrist Fractures	Scott Green, MD vs. Igor Immerman, MD
8:25	Debate 2: Meniscal Root Tears	Caitlin Rugg, MD vs.
0.23	Debate 2. Meniscal Hoot lears	Drew Lansdown. MD
8:45	Debate 3: Patella Resurfacing in TKA	Neil Bharucha, MD vs.
	· ·	Eric Hansen, MD
