UCSF Imaging in Vancouver

OVERVIEW

The Department of Radiology and Biomedical Imaging at the University of California San Francisco invites you to attend its Imaging in Vancouver course on July 22- 26, 2024. The course will present a comprehensive state-of-the-art update on clinically relevant topics focusing on abdominal, thoracic, musculoskeletal, neuro, and pediatric imaging, as well as routine interventional procedures.

Presentations will be case-based and review indications that are commonly seen in general practice. The experienced faculty will address established protocols as well as updates to improve image acquisition and interpretation strategies. This will improve communication when recommending secondary imaging, referring cases to clinical and academic specialists, and reviewing follow-up imaging.

OBJECTIVES

An attendee completing this course will be able to:

- Identify common presentations in the pancreas, appendix, and bowel following established liver imaging protocols
- Improve evaluation of common chest presentations including pulmonary infections and pulmonary embolism, intramural hematoma, and lung cancer including post-treatment sequela
- Recommend MR imaging protocols for shoulder trauma, knee ligaments and extensor mechanism, ankle and foot injuries, and muscle and bone stress injuries
- Interpret images of the head, neck, and spine, including stroke, traumatic brain injury, spine infections, and emergency room spine and neuro presentations
- Analyze pediatric conditions in the head, lung, and abdomen utilizing ultrasound and chest radiography pearls
- Improve identification, indications, and follow-up for routine IR procedures including chest tubes, ablation of hepatic and renal tumors, gynecologic hemorrhage, and endoscopic procedures for kidney stones

ACCREDITATION

In support of improving patient care, the University of California, San Francisco is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

UCSF designates this live activity for a maximum of **25.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the live activity.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants

AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA category 1 credit™ for the PRA for organizations accredited by the ACCME.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration when making your accommodation decisions.

CONFERENCE LOCATION (CONT'D)

Located only 24 miles north of the US border, Vancouver is recognized as one of North America's top meetings destinations thanks to an easily navigable infrastructure and state-of-the-art facilities.

A highly walkable city, with wide, pedestrian-friendly sidewalks and an easily navigated grid street system, the compact downtown core – around one mile across – is a short stroll from neighborhoods like Gastown, Yaletown, and Chinatown as well as the beaches of the West End. Walking to Stanley Park along the seawall from Canada Place is one of the city's signature promenades. And you're never far from a bus, SkyTrain, or mini-ferry service if it's time to rest your legs. Known as the 'Castle in the City,' Fairmont Hotel Vancouver has been the pinnacle of elegance since its debut in 1939, when a visit by the British royal couple sealed its reputation as one of the most iconic luxury hotels in Vancouver. The prime downtown location places you minutes from the city's biggest attractions.

A block of guestrooms has been reserved at the following special UCSF conference rates: **\$579** CAD single/double occupancy (approx **\$433.55** USD) You are urged to make your reservations early. The cut off date is **June 21, 2024**, or until the group room block is filled. After this date, rooms will be provided on a space-available basis only.

You may make hotel reservations on-line by visiting the course webpage on our website at cme.ucsf.edu

Please click on the reservations link for a direct link to online reservations

If you prefer, you can phone Fairmont reservations at 866-540-4452 and identify yourself as a member of this UCSF conference to receive the special rate.

AIR TRANSPORTATION

UCSF has negotiated special fares with United Airlines for our course attendees. Please visit the course webpage at cme.ucsf.edu for the link and instructions.
